Tuition includes CORE classroom hours, and 20 classes to attend during the year of CORE training. There will be required elective hours and texts that are not included in the cost.

A \$500 deposit is required to hold your spot in any session (and will go towards your tuition). A 3 day cancellation period begins when you pay your deposit to hold your space in the program. In the event of non-acceptance, you will receive a full refund. (A nonrefundable application fee of \$60 is included in your deposit. If you withdraw after the three-day cancellation period and prior to the start of the session, you will be refunded your deposit minus the application fee.)

CANCELLATION AND REFUND POLICY:

Rejection: An applicant rejected by the school is entitled to a refund of all monies paid.

A minimum of 12 students is required to run the program. In the event of cancellation, a full refund will be given, along with a 6 month discount of 10% to any scheduled electives.

Three-Day Cancellation: An applicant who provides written notice of cancellation within three days (excluding Saturday, Sunday and federal or state holidays) of signing an enrollment agreement is entitled to a refund of all monies paid. The school shall provide the 100% refund (minus \$60 application fee) no later than 30 days after receiving the notice of cancellation.

Other Cancellations: An applicant requesting cancellation more than three days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid minus the non-refundable deposit.

Refund after the commencement of classes:

1. Procedure for withdrawal/withdrawal date:

A. A student choosing to withdraw from the school after the commencement of classes is to provide written notice to the Director of the Soul Tree Studio YTT. The notice is to indicate the expected last date of attendance and be signed and dated by the student.

B. Students unable to complete the required clock hours have the option to complete these hours (with instructor approval) in future sessions without additional tuition. Certificate will not be issued until program requirements are met.

C. For a student who is on authorized Leave of Absence, the withdraw date is the date the student was scheduled to return from the Leave and failed to do so.

D. A student will be determined to be withdrawn from the institution if the student has not attended any class for 30 consecutive class days.

E. All refunds will be issued within 30 days of the determination of the withdrawal date.

2. Tuition charges:

Tuition charges will be determined based upon the percentage of the clock hours attempted.

The percentage of the clock hours attempted is determined by dividing the total number of clock hours elapsed from the student's start date to the student's last day of attendance, by the total number of clock hours in the program (less the \$500 deposit, and \$9.00/hour). Tuition refunds will be issued within 30 days of the date of student notification, of date of school determination (withdrawn due to absences of other criteria as specified in the school catalog), or in the case of a student not returning from an authorized Leave of Absence (LOA), within 30 days of the date the student was scheduled to return from the LOA and did not return.
