B. Students unable to complete the required clock hours have the option to complete these hours (with instructor approval) in future sessions without additional tuition. Certificates will not be issued until program requirements are met.

C. For a student who is on authorized Leave of Absence, the withdrawal date is the date the student was scheduled to return from the Leave and failed to do so.

D. A student will be determined to be withdrawn from the institution if the student has not attended any class for 30 consecutive class days.

E. If the student decides to leave the program...the student is responsible for full payment either in full OR continued payments.

Tuition refunds will be issued within 30 days of the date of student notification, of date of school determination (withdrawn due to absences of other criteria as specified in the school catalog), or in the case of a student not returning from an authorized Leave of Absence (LOA), within 30 days of the date the student was scheduled to return from the LOA and did not return.
